Principal Message

On Friday this week we will be holding our Kindergarten Expo as part of the Kindergarten transition program for children who will starting their schooling with us in 2014. The Expo will be held in the hall and we would encourage anyone who is interested in what happens at school to come along and have a look at what is on offer. What we have tried to do is bring together all the various parts of what makes up the school experience for children so that prospective parents can have all their questions and concerns met in one place. While the adults are attending the Expo the new kindies will be starting their program in the classrooms, learning about what to expect when they start next year. Very exciting times indeed!

The Stage Two Sleepover excursion took place last Friday night and the teachers involved were absolutely thrilled with the behaviour of the children who attended. The children were excellent participants, involving themselves in all the activities and opportunities with enthusiasm and good manners. Well done to all the children involved. I would also like to thank Mrs Burns, Mrs Healey, Mr Matete and Mr Smith who gave up their Friday night and Saturday morning to provide this opportunity for the children.
