Swimming Scheme

The Intensive Swimming Scheme is scheduled to begin on Monday 23rd November. This scheme will run for all of week 8 and week 9 and it provides the opportunity for children in Year Two and other children in the school who are not good swimmers to be able to attend swimming lessons with accredited instructors. Being so close to the beach it is absolutely vital that all children should be able to swim confidently. This year we have been able to offset the cost of this scheme for all children with the generous donation we received from the Sawtell RSL Club. Total cost is only \$55 for each child. This will cover bus and pool entry and it represents very good value indeed. Please contact the school if you would like your child to be involved in this scheme.

Uniform Supplies

We like to keep a collection of spare uniforms available for emergencies at school and also to assist some of our families.

Our supplies have become very low and I hope that we can source some more from the school community.

If your child comes home in shorts or skorts borrowed from school, we would appreciate it if they are washed and returned to the office as soon as possible.

If your child/children are leaving our school it would be great to receive any donations of their Toormina Public uniform.

Any donations of uniforms no longer needed and in good condition will be greatly appreciated here at school.

Many thanks,
Elizabeth Paff
