Dear Parents/Carers,

Last week I received news that I was successful in gaining the position of principal, Sawtell PS. Pending appeal, my appointment will commence in 2018. Mrs Glyde will be relieving as principal until a new principal is appointed on a permanent basis. The school community can expect the appointment of a new principal to be completed as soon as possible. I would like to take this opportunity to thank the wonderful support I have received from students, staff and families during my 18 months at Toormina PS. By far, Toormina PS is one of the most enjoyable schools I have worked in.

Head lice

The dreaded nits! As a parent of 4 'sweaty headed' kids I understand the nit problem most parents endure. I can recall years' worth of Sunday evenings sitting at the breakfast bar 'de-nitting' long thick strands of hair, with my children sometimes in tears and my wife and I feeling extremely frustrated. Head lice is not limited to particular schools or students. Research suggest that around 20% of primary school aged children have head lice at any given time. If everyone is diligent in the treatment of head lice then infestation will be reduced.

For further information on how to treat head lice please, visit <https://www.healthdirect.gov.au/head-lice>

Chest Freezer

The P&C are selling a large chest freezer for \$100. The freezer is available for viewing. There is no warranty and transportation would be the responsibility of the buyer. Please contact the office if interested.

I hope you all have a lovely weekend!

Anchor friendship and peer group support

Northcott invites parents and carers of young children with disability to a monthly informal and friendly support group where you can make friends with other parents and talk openly about issues and concerns that are important or relevant to you, your family and your child.

Each month, we will host a guest speaker to discuss topics such as mental health, self-care, the National Disability Insurance Scheme, schools and supports and services.

We will provide a safe, respectful and confidential space for everyone.

Kids are also welcome. There will be a play space just for kids and staff member to engage with them while you relax with the group.
