Cavanba Road Toormina NSW

Dear Parents/Carers,

The school year is coming to a close. Over the past couple of weeks teachers have been collaborating to formalise classes for 2018. The school has met with parents who require additional needs to ensure a smooth transition into 2018 classes occur as seamless as possible.

During last week's presentation assemblies I had the great pleasure talking at length about our students all being stars, the wonderful staff at Toormina PS and the appreciation we have of our supportive families. ***Many hands build a house, but many more hearts make a school!***

Tomorrow marks the end of my 18 months relieving at Toormina PS as principal. I have thoroughly enjoyed working with the school community in delivering improved outcomes for our kids. As excited as I am about my new adventure as principal at Sawtell PS it is with a great deal of sadness that I say goodbye with many of the school community with whom I have connected with. Toormina is an outstanding school and will continue striving for excellence.

School resumes for Year 1-6 students on 30th January.

Have a restful time with loved ones.
Enjoy your Christmas and stay safe!

Transport NSW

Transport NSW have made a few improvements to their system students who are progressing from year 3 **do not need** to reapply if they meet the following conditions:

- Are continuing at Toormina Public School
- Are residing at the same address
- Have not been sent an expiry notification from Transport NSW

Library News

Thank you to all students who have returned their library books. For any student who may still have books at home please keep looking for them during the school holidays and return these next year. Have a happy and safe festive season.

Christmas Magic

1/2 Crimson played with computer magic this week and went on an imaginary journey to the North Pole.
