Dear Parents/Carers,

It's good to be back with our wonderful school community. I would like to thank Mrs Dal-Bon for her wonderful work as relieving Principal during my absence as well as Mrs Greenway for her positive support of stage three as relieving Assistant Principal. Thank you both!

We have added a school calendar with the newsletter this week highlighting planned school events that we currently know about. As we get closer to school events, more information will be provided in the newsletter or a separate note. Hopefully this will assist families with upcoming dates.

Thank you to Mrs Schweikert for organising our visiting tennis program which started this week. Students in stage two attended this week and will attend next Tuesday as well. Stage three will be attending in weeks four and five.

Yesterday we welcomed our Deputy Mayor, Councillor Tegan Swan, to our wonderful school when she presented us with our updated WaterWise Certificate. The WaterWise program is an important program for our students, highlighting the importance of water as a valuable resource and its conservation. Thank you Councillor Swan for your visit to our school for this presentation.

Have a great week!

Kind Regards,  
Mr. Matt Hankinson

We are taking  
Kindergarten 2019  
Enrolments. Please see  
our office staff for the  
relevant paperwork.

## P&C

The P&C are donating a printed photo booklet as a farewell keepsake gift for the Year 6 students. They are asking all community members to please dig through their photos from 2012 onwards containing any current Year 6 children. These can also include children from other years. We are particularly after photos which contain more than 1 student.

Thank you in advance for your help.

### **Book Fair**

An opportunity has arisen for a second Book Fair in Week 6 Term 4. This will be a great opportunity to purchase some Christmas gifts.

### **Intensive Swimming**

We are offering an Intensive Swimming Program in Weeks 7-8, this opportunity will be offered to non-swimmers in the younger years first. There are 26 places available. Children who return their note and money will be placed on the list first.

### **Enrichment Groups**

During term 1 and 2 children from years 3-6 got to pick an enrichment group of their choice. A group of us selected mural painting as our choice. We worked with Mrs. Trist on selecting and designing our themes. After some discussion we selected the ocean and forest.

Once the designs were sketched onto the large boards we got to paint the murals. Jack Howarth, Liam Gates and Thomas Anderson worked on the Turtle piece. Zoe Gill, Jaani Gill and myself worked on the stingray design. William Sudewa, Joel Watson and Jack Carroll worked on the shark piece. Violet Behmer, Luke Metcalf and Tate Anderson worked on the fish piece.

We were very lucky to have the support and guidance of Linda Bilsborough and Meg English.

Our pieces are now on display on the walls in the COLA. We hope you enjoy looking at them.
