Week 4 Term 4 • 6 November 2020

Dear Parents and Carers,

I'm glad to be back at school with our wonderful staff, students and families, following a recent break. Thank you to Mrs Jodie Perry for her fabulous work relieving as principal during my absence. Thanks must also be passed to Mr Craig Simpson who was relieving as assistant principal for stage 3 during this time as well. Thank you both for your tremendous dedication in these relieving roles!

Congratulations to our rugby league players this week. They played other local schools in a gala day and were undefeated throughout the day. Thank you to Mrs Bec House and Mr Craig Simpson for their work with this wonderful team of players.

It was good to see the return of the Marine Studies program with Toormina High School this week. Students went to Boambee Bay to collect plankton samples this week for further study at the high school next week.

Next week our school will be celebrating a belated NAIDOC Week, moved from July due to COVID restrictions. It is unfortunate that parents are still unable to attend but restrictions will continue to ease as time goes on. Details regarding our NAIDOC organisation is presented on the following page. Have a wonderful week everyone!

Kind regards,
Mr. Matt Hankinson
Principal
