Week 5 Term 1 • 28<sup>th</sup> February 2020

Dear Parents and Carers,

Congratulations to our students that have been elected by their fellow class members into the position of Student Representative Council. They will be presented their badges at next week's assembly and parents will be invited to come along and proudly pin on their badges.

We are proud to support Clean Up Australia Day and today all stages have been involved in collecting rubbish and helping to tidy up our school environment. It is wonderful to teach our students to respect their environment and take action to make a positive difference in our school.

Congratulations to our students who attended the Mid North Coast swimming carnival yesterday. Thankfully, the weather was kind and we saw some wonderful participation by our students. It was great to celebrate everyone's efforts on the day. We wish students heading to the North Coast Carnival all the best.

Getting kids to go to school is one of the most powerful ways to improve academic success. As a parent, here is how you can help:

- Prepare for school the night before.
- Plan doctor appointments outside of school hours, if possible.
- Avoid planning trips or other activities during school time.

Attendance matters to everyone. Make it priority for your child to be in school all day, every day.

**ATTENDANCE  
MATTERS.  
ALL DAY, EVERY DAY**

### Toormi Tennis stars

An amazing effort by our tennis trio consisting of Isabel, Paige and Jake who played against the best students from the Mid North Coast region on Wednesday. All 3 Toormi students not only got through to the North Coast trials in March but they actually took out top spots for the Mid North Coast. In the challenging heat, the girls played 7 matches and the boys played 10 due to extra competitors.

Paige won the girls top position and Isabel was close behind in third. Jake only missed the boys' top spot by 1 game after playing strongly all day. Congratulations and good luck for making the North Coast team in March!

## **Big Veggie Crunch!**

**Thursday 5th March**

Our school will join thousands of students across NSW  
in the Big Veggie Crunch on this day.

**Only 5% of NSW children eat enough vegetables each day.**

To improve this, we are increasing children's knowledge, exposure and  
positive attitudes towards vegetables.

**Please pack some vegetables for your child to crunch on this day.**

Some ideas include: carrot or celery sticks; green beans;  
snow peas; snap peas; cooked corn on the cob;  
mini cucumbers or red, green or yellow capsicum strips
