Week 4 Term 1 • 25 February 2021

Dear parents and carers

A big thank you for your continuing efforts in supporting our school and students during the pandemic – especially prioritising safety and learning.

The Premier and Minister for Education have announced changes to school settings for the remainder of Term 1. These updated settings were developed in close consultation with NSW Health and key stakeholders to ensure we continue to keep our schools open for learning, while keeping up with changing community settings.

The updated settings include:

- We will now stop the need to use rapid antigen tests (RATs) for twice-weekly testing of students.
- From Monday 28 February, we will move to symptomatic testing. Tests are to be used at your discretion such as if your child is symptomatic or there are cases in their class. Our school will provide each student and staff member with 8 rapid antigen kits.
- Beyond that, students and staff can access PCR tests or buy their own rapid antigen tests as these are now readily available and accessible in the community.
- Masks will continue to be required indoors for all school staff, volunteers and visitors including parents and carers in primary schools until Friday 4 March. This means that from Monday 7 March, masks will no longer be mandatory for all staff. However, those who wish to continue to use them will be supported to do so.
- From Monday 28 February, visitors can be allowed back on school sites regardless of their vaccination status. All visitors are asked to follow our usual sign-in and sign-out process.

Our school will continue to ensure our layered COVID-smart measures are in place, including vaccinations for workers and volunteers, maximising natural ventilation in learning spaces, continued good hand hygiene practices and enhanced cleaning.

As of Monday 28 February, students will no longer be required to be kept in year groups or other cohorts. We will continue to use the core layered COVID-smart measures for minimising risk when planning activities and events.

We strongly encourage our students and their families to consider vaccination including boosters when eligible. Find a vaccination clinic to book an appointment near you.

Thank you again for your continued support during this school term.

Kind regards,
Mr. Matt Hankinson

“Toormi Clean Up Schools” Day

On Friday 4 March our school will be participating in our annual “Clean Up Schools Day”.

All students will help to clean up our school grounds and playground. Please send in garden gloves for your child to wear on the day if possible

During the next fortnight, students will participate in discussions about “Being Safe” when helping with our “School Clean Up Day” and lessons about how we can care for our environment every day!

School Photos

Will be taken on Tuesday 15 March. Information and envelopes have been sent home, with your child, this week. Information on how to order is on the envelope. Please return photo order envelopes to the class teacher. Family photo order envelopes are available from the school office

All orders need to be returned by Monday 14 March.
